

BORRISON IVY

ASIAN GIRLS

The way she walks - it makes me feel so horny
Under those clothes I bet she's got a story
I'd like to take her home with me tonight
I know she'd really make me come alive

The way she walks just makes me feel so ah-huh
That little arse just makes me feel so oh-yeah
Cute little bod just makes me feel so ah-huh
Those sexy lips just make me feel so oh-yeah

Blondes and brunettes
Black-haired girls
Asian girls - they rock my world!

Cute little smile playing on her face
She's all out front - I've got to keep up pace
Long fingers in her hair making a twirl
Tonight I want her to be my girl

Look in my eyes and let me know you want me
I can be whatever you want me to be
Come up close and take me by the hand
I'll be your lover, friend or one-night stand
