

BORRISON IVY

SALARY SLUT

I hate it when I open the door
I feel like I'm nothing more than a whore
"Come inside now, baby!
And see what we've got in store for you!"

I hate my job so much
How can I get out of this rut?
I hate my job so much
I am just a Salary Slut!
Salary Slut!

I sit at my desk all day
For something better I hope and pray
Let me out of here!
Oh won't somebody take me away right now?

Every day I feel like the world is turning insane
Every day into the world we bring in more and more pain
Every day I feel like the world is turning insane
Every day into the world we bring in more and more pain

I hate it when I go back to work
I know I'm going to feel like a jerk
I don't fit in with the games they play
They do my head in day after day
